

Charm Block Quilt

32 3/4" x 42"

Requirements

One 6 1/2" square charm pack. (Forty, 6 1/2" squares)

20" / 50cm Sashing

44" / 1.1m Backing

Instructions

Select twenty four of your charm squares to make the pieced triangle blocks.

Note: If you have a charm pack of twenty different fabrics, two of each fabric, then take one of each fabric and then four more of your favourites!

- Arrange the twenty charm squares into pairs, choosing fabrics that contrast well against each other.
- Place pairs right sides together, aligning all raw edges.

Follow these steps for each pair.

1. On the wrong side of one fabric square, draw a diagonal line from one corner to the other with a fabric pen. **Figure 1**
2. Pin the pair of squares together in a couple of places along the line to hold in place.
3. Sew a line a 1/4" out from either side of the drawn line. **Figure 2**
4. Now cut in half along the drawn line. **Figure 3**
5. Press the two triangle blocks open. **Figure 4**
6. Place the two triangle blocks right sides together, with different fabrics facing each other and seams aligned as shown. **Figure 5**
7. Draw a diagonal line from one corner to the other with a fabric pen. This line is perpendicular to the seam. **Figure 6**
8. Repeat steps 2 to 5 to create two blocks as shown. **Figure 7**
