

It Is Club Month!

Hi Everyone,

This month is Club Month! Tim and I have been very busy setting up our clubs for the year ahead, and our first new one is ready to go! Being part of a Club is just like having a Magazine subscription, but instead you get Fabric (woohoo), plus a few little extras! Here's our first new Club for the year...

The Golden Rainbow Club

As previewed before Christmas, this Club is all about a stash of beautiful small, and/or tone on tone, prints with a little bit of gold!

Every month you will receive three 30cm lengths of a beautiful small to medium coordinate print with metallic gold highlights.

Each month we will feature a different colour of the Rainbow, from January through to December.

In your first issue you will also receive a pattern for the block shown in the photo featuring a paper pieced pointed Dresden set on point.

I'm hoping this new club will inspire you to not only sew, but to revisit your sewing room and fabric stash at the start of the Year and look at it in a different way. Group your coordinates by colour, store your feature prints with more than 1m in one place, other smaller print pieces from impulse buys, leftovers from projects etc... in a different tub ready for handbags or scrap quilts for friends, family, charity quilts and passing onto friends who are short a piece or two for their latest project.

The [Golden Rainbow Club](#) is \$23/month and includes postage within Australia. If you are "Off Shore", please email us and we can provide you with a price including postage to anywhere in the world.

Under the Australian Sun Club

If you haven't joined this club yet and love having a stash of Australian florals to make quilts and bags with on a whim, then this is a great way to build up a collection.

Every month we send out three fat quarters, or a half metre of border stripe with a coordinating fat quarter, all from my Under the Australian Sun collection. You also receive club member only specials each month on complimentary prints from Chandler's Cottage.

The [Under the Australian Sun Club](#) is \$18/month including postage within Australia.

New Member Special

Join the club for 12 issues and you will also receive a FREE copy of the Panel Pocket Tote bag shown below and 60cm of this out of print Under the Australian Sun print to make it with!

All Past and Present Club Members

If you have just finished your Club membership or are currently in the Club, you can also pick up this month this recently released Under the Australian Sun floral for just \$18/m (usually \$26/m), just give us a call on 03 9587 3958 if you would like some!

Maywood Meadow Club

And we are now taking new 2019 members for this very popular club!

Every month you will receive Three Fat Quarters of beautiful Maywood Studios' Shadowplay. You will also receive an applique pattern for a 7" finished block. It's easy applique, that you can choose to hand or machine applique, which ever takes your fancy. They are also not big, so you can easily finish one a month. You can also embellish with embroidery threads, beads, or whatever you like.

In the first month you will receive introductory notes on applique and how to cut and prepare your blocks. You will also receive samples and special offers on background fabrics if you would like to purchase these from us, plus extra specials every month. After 12 months you can choose to finish with a lap size quilt we will send you a Free pattern for, or continue for another year to make a bigger quilt!
